

COVID 19 Support from Loan Barn

We know this is a challenging time for many of our customers and as we all deal with the challenges of the Coronavirus (COVID-19), Loan Barn is committed to providing the highest level of support to you during these unprecedented times.

How is Loan Barn responding to (COVID-19)

We're closely monitoring the situation and taking advice from the World Health Organisation and government and health authorities. Our priority is the health wellbeing of our employees, their families and customers.

What does this mean for you?

We are operating as usual during these unprecedented times. We will ensure that your questions and concerns will be answered. Payments will always be processed. Loan applications assessed, and settlements completed as they always have been through phone or email.

Do you need help?

We understand the COVID-19 may create change or Financial pressure for some of our Customers. We care. And we can help.

We have a range of support measures for our personal and business customers. Financial assistance may be available to alter Scheduled loan repayments or Restructuring loan Repayments
